# SAVE TRAINING

## 2021 PROJECTS

save project link :<https://www.inerelakenya.org/wp-content/uploads/2022/01/INERELA-K-ENYA-REPOR-TION-THE-SAVE-METHODOLOGY-TRAINING-WORKSHOP-IN-KASARANI-SUB-COUNTY-NAIROBI-1.pdf>

SAVE (Safer Practices, Available medication, Voluntary counseling and testing, Empowerment) provides a methodical framework and strategic plan that is suitable for the complex and dynamic economic, social and cultural contexts

**P**artnership with other religious communities, organizations, government and non-governmental organizations, has been heavily involved in the advocacy of the SAVE framework and methodology advocacy in Kenya, which seeks to tackle various HIV/AIDS issues i.e. prevention and treatment, stigma, and advocacy.
